## To Attend Governor's School For The Gifted

Mrs. Pauline DePew, Guidance Counsellor at ACHS, left above, is shown with Marcella Dawn Lively, center, chosen as an alternate to attend the Governor's School for the Gifted, and Marvin Payton Watson, on the right, who has been chosen to participate in this school.

Notification has been received from the Virginia State Department of Education that Appomattox County High School will be represented again this year in the Governor's School for the Gifted. The School is designed to provide an expense paid enrichment program for rising juniors and seniors who are gifted and talented in the fine arts, the humanities, the natural and physical sciences, or the social sciences.

Marvin Payton Watson, a junior who resides with his aunt and uncle, Mr. and Mrs. Willie Hix of Route 1, Pamplin, has been selected to participate in this special school. He will be one of the 150 students attending Mary Washington College from June 19 through July 19 utilizing his special talent in the field of performing arts.

Marvin has consistently lyachieved Honor Roll status, and he was recently elected as SCA president for 1974-75. He has been active in the National Honor Society, the Drama Club, 4-H Club, Annual Staff, and the Spanish Club. In addition, his work in the ACHS choir has been outstanding this year. Marvin plans college attendance at Johnson C. Smith University or Norfolk State.

Another junior, Marcella Dawn Lively, daughter of Mr. and Mrs. Frank S. Lively of

## Computeride Program Is Now Available

COMPUTERIDE, an energy-conservation program, is now available to any business or industry in the Central Virginia Planning District Commission in cooperation with the Appomattox Chamber of Commerce is conducting the COMPUTERIDE survey.

High gasoline prices and alternate buying days have made commuting expensive for those who drive to work alone. Assuming gasoline is 50 cents per gallon and a consumption rate of 13.6 miles per gallon, three poolers traveling 30 miles round-trip could save $184 per year and use 1,104 less gallons of fuel.

COMPUTERIDE, which is strictly a volunteer program, works through the employer who provides his employees with a survey form to complete. The computerized matching program is designed, initially, to provide an interested commuter living and working in the CVPD with the names and phone numbers of volunteer carpoolers where home-to-work trips begin and end close to his own, both in location and time.

The survey, in addition to providing the opportunity to establish voluntary carpools, provides responses that will help in planning transportation needs for the future.

Anyone desiring additional information about COMPUTERIDE may contact Franklin Vaughan with the Appomattox Chamber of Commerce or Harry Jarvis, Central Virginia Planning District Commission, at 845-3491 in Lynchburg.

## C of C Dinner Meeting Set For April 18th

The Annual Membership Dinner-Meeting of the Appomattox County Chamber of Commerce will be held on Thursday night, April 18th, at 6:30 p.m. at the Parkway Restaurant, according to an announcement made by J. Franklin Vaughan, President.

The Chamber of Commerce is interested in having as many new members, either business or individual, as possible and if you are interested in becoming a member you may contact Tommy Matthews, Chairman of the Membership Committee, or Jim Pugh, Floyd Williams, or J.Franklin Vaughan before April 18th.

## Bloodmobile Visit Set

The Red Cross Bloodmobile will make its last visit of the fiscal year to Appomattox County on Tuesday, April 30th. The Bloodmobile will be set up at Liberty Baptist Church from noon until 6 p.m.

A total of 125 units of blood must be donated at this visit in order for Appomattox County to be 100% for the year of our designated quota.

Eighteen year-olds may donate blood without parental consent and are urged to begin doing so now. Keep this important date in mind, make plans now to come out on April 30th and donate a unit of your lifesaving blood and encourage your friends to come along with you...it is fast, and it is painless...and it is one of the most important projects carried on in Appomattox County.

## Local Businessman Retires

Mr. Robert (Bob) Martin, left above, Manager of Appomattox Truck and Tractor Co. was honored Saturday, April 6, 1974 at a retirement dinner at Parkway Restaurant. Present were some fifty or more employees of Truck and Tractor and Appomattox Hardware Co., their spouses and local stockholders.

Bob started work at Appomattox Hardware over 40 years ago, first working as substitute oil deliveryman for his Father, the late Tom Martin. In those days oil was delivered in buckets which hung from the sides of the truck! In 1951 when the hardware branched out and organized Appomattox Truck and Tractor Co., Bob was made manager there and continued in that post until March 31, when he retired. This combined service makes Bob the individual with the longest service of anyone who has ever worked for Appomattox Hardware, exceeding even that of the founders.

A. R. Harwood, Jr., right above, President of Appomattox Truck and Tractor and Manager of Appomattox Hardware Co. gave a short talk, recounting some of the Hardware's earlier days and praising Bob's loyalty and service. Following this, on behalf of the Company, he presented Bob with a new rod and reel and a check, to mark the occasion.

Bob's cheery outlook and dependable smile will be missed by his associates and customers alike and much joy is wished for him in his retirement.

## Christian School May Be Established In Appomattox

The Robert E. Lee Academy in Appomattox wishes to establish a Christian School in this area.

There will be a meeting of those interested in this movement on Sunday, April 21, 1974, at 2:30 p.m. at the Academy. Parents and children are invited to attend and discuss Christian ideas.

Refreshments will be served and the speaker for this hour will be from Thomas Road Baptist Christian School and College.

A community Christian Schools' purpose is to help parents and children to know God better and walk in His way.

Registration will begin on April 21st, offering Kindergarten through Grade 7. Anyone interested in obtaining information without obligation for registering their child or children is asked to contact Paul Nash, 352-7351, or Mrs. Ottie Osborne, 352-8758.

## Co-Op Extension Service Plans

Plans for a Dark-Fired Tobacco Growers Recognition Awards Program sponsored by the Cooperative Extension Service, Virginia Dark-Fired Tobacco Commission and Virginia Dark-Fired Tobacco Growers Marketing Association were announced today by J. A. Smith, Extension Agent.

Smith pointed out that the five year (1968-1972) average yield of dark tobacco in Appomattox County was 1272 pounds. He said that there had not been any significant change in fire cured tobacco yields over the past 25 years.

The program has two objectives: to increase yields and income of dark-fired tobacco growers and to increase volume in order to maintain our strong market.

The contest rules are:

1. Any adult or youth growing one or more acres of dark-fired tobacco may enter the contest.

2. All dark-fired tobacco grown by the enrollee will be used in determining yields; however, tobacco grown by a family member or tenant will be treated as a separate entry.

3. Permission will be granted to have acreage measured.

4. Copy of warehouse statements will be furnished.

## *FFA Alumni Association To Be Formed*

Seeing an opportunity to promote a greater knowledge of the agricultural industry and support education in agriculture, several former members of the Future Farmers of America met on Tuesday night, March 26, to discuss plans for forming an FFA Alumni Association in the Appomattox area. At this meeting Ralph Reynolds was elected temporary chairman and Billy Slagle, Marvin House, and John Alvis were named as a committee to approve a constitution for the organization.

The aim of the organization is to provide a mechanism whereby former members can actively promote and support the FFA organization, FFA activities, and vocational agriculture.

The local effort is part of a state and national drive currently underway to unite former members into newly formed FFA Alumi Association.

The help of every potential member in this area is being sought to organize and charter the local FFA Alumni Association. All former active and honorary FFA and NFA members are eligible for membership.

"Charter Night" for the local chapter will be held on April 16 at 7:30 p.m. in the auditorium of the Appomattox Intermediate School.

## Sets Annual Meeting

The Annual Meeting of the Appomattox County Development Corporation will be held Wednesday evening, April 17, at 6:30 p.m. at Jeanne's Coffee Shop, J. A. Smith, President, announced recently.

Mr. William E. Lowe, Vice-President Thomasville Furniture Industries, Inc., who has been named manager of the Thomasville plant here will address the group. For many Appomattox folk this will be their first opportunity to meet Mr. Lowe.

This meeting is open to anyone. Dues are $5.00 per year. Checks should be made payable to Appomattox Development Corporation and mailed to O. H. Tolley, Jr., Pamplin, VA.

The only other business for the evening will be to set the number of Directors and their election.

Smith pointed out that this was a "Dutch Treat" dinner and reservation should be made calling his office (352-8244) by Friday, April 12th.

## Appomattox Festival Postponed Until October

As a result of lack of planning time, the next Appomattox festival, in the tradition of the 1973 Railroad Festival, is scheduled for October, 1974. The leadership of the Railroad Festival has recommended to the Appomattox Town Manager, Bill Slagle, that a "Harvest Festival" be held sometime in October, 1974. The October

*To Help Conquer Birth Defects*

## *Youth Of Appomattox County Will Participate In Walkathon*

THE INFORMATION AND REFERRAL CENTER, scheduled to open May 1, 1974, is to be located in the "old town office" on Church Street in downtown Appomattox.

The Center's purpose is to be the link between people and the services they need.

Members of the I & R group putting the office in order, shown above, left to right, are Rev. Henry E. Riley, Jr., pastor of Memorial United Methodist Church; Mrs. Frances M. Hopkinson; and the Rev. E. Moray Peoples, St. Anne's Episcopal Church.

On Saturday, April 20, 1974, students from Appomattox Intermediate School and students from Appomattox County High School will be participating in a Walkathon for the first time, walking to do their part in helping to conquer birth defects.

The Future Business Leaders of America, Appomattox County High School Chapter, is sponsoring the Walkathon on the local level. Members of the FBLA chapter have pledge cards and you may do your share in helping to conquer birth defects by sponsoring a student, one or more, and pledging a said amount of money for each mile walked by that particular student or students. The Walkathon will start from Lynchburg College and the route to be walked will extend 25 miles. Our students will be walking in Lynchburg for the benefit of Appomattox County as our local March of Dimes Chapter has merged with the Central Virginia Chapter.

On Tuesday, March 26th, a Kickoff-Dinner for The Central Virginia Chapter March of Dimes was held in Lynchburg at Meads Lake.

Those attending from Appomattox were Mrs. Crawford Davidson, member of the Board of Directors, Central Virginia Chapter; Mrs. James Beamer and Mrs. Robert Holt, Co-Sponsors of the Future Business Leaders of America Club at Appomattox County High School; Miss Julie Moore, Incoming President, Longwood District; Miss Meriam Ferris, President FBLA at ACHS; and Larry Franklin, Mrs. Roy Massie, also a member of the Board of Directors, was unable to attend this meeting.

Steve Webb, National Foundation Youth Chairman from Wake Forest, North Carolina was the guest speaker for the dinner-meeting. Steve is the first student to ever served in this capacity.

Healthy children should be the Number One priority in the United States. There are 250,000 born with birth defects in this country each year - seven hundred infants being born each day with some type of birth defect. Birth Defects are implicated in one-half of the deaths of children.

The March of Dimes is working through research, clinical facilities and education of the public. Eighty percent of all birth defects can be treated.

Birth defects are and will be forever if we do not help!

Polio has been conquered and we now hope to conquer birth defects.

Do your share, sign a pledge card donating money to this worthy cause, let's help the students who are willing to participate in the Walkathon by making it worthwhile. They money you contribute will be used to help conquer birth defects and that is what really counts.

**W.T.OGLE TO SPEAK APRIL 11TH AT LIONS LADIES NIGHT**

W. T. Ogle, Landscape Superintendent of the Virginia Department of Highways, Salem, will be the guest speaker at the Lions Ladies Night meeting scheduled for Thursday, April 11th.

Mr. Ogle will present an entertaining and humorous program that will be enjoyed by all attending as he is well known as an entertaining-type fellow.

The meeting is set for 6:45 p.m. at the Appomattox County High School cafeteria and all Lions will want to be present and to bring their Lioness or lady guest.

## Mr. Lovell To Meet With Liberty Youth Singers

A representative of Ambassadors Fo... fship, Mr. Dick Lovell of New York, will be in Appomattox next Wednesday, April 17th, to meet with the Liberty Youth Singers and parents.

The Liberty Youth Singers have been extended an invitation from Ambassadors For Friendship and the Polish Government to make a 21 day tour to Poland this summer.

The choir has accepted the invitation and will leave New York on July 12th and return on August 2nd.

Mr. Lovell will outline the details of the tour. Anyone interested in this tour is invited to the meeting with Mr. Lovell on Wednesday night, April 17th at Liberty Baptist Church at 7:30 p.m.

Mrs. J. Franklin Vaughan is the Director of the Choir.

**FIREMAN ANSWER ONE CALL**

Volunteers of the Appomattox Fire Department received only one call during the week of April 1st.

On April 2nd at 5:30 p.m. two trucks and five men responded to a call for a brush fire.

## Raiders Post First Track Win

The Appomattox County High School Track Team notched its first victory of the 1974 season against William Campbell last week scoring 56 points in track events and 16 points in the field events.

Ricky Wingfield, Lacy Webb, and Richard Ferguson gave tremendous performances by scoring 10 points each.

"It was the greatest track victory I have had since coaching the track team," said Coach George Blanton. "The boys had a great attitude and were not going to be denied the team victory."

This was the first track win for the team since 1969 and it is felt that this was tremendous accomplishment as ACHS does not have track facilities as other schools in the district have.

Members on the track team shown above are: 1st row, left to right, James Hunter, James Reed, Al Sears, Dwight Lamplin and Robert Harvey; 2nd row, left to right, Ronald Davis, Mike Ramsey, Ricky Wingfield, Ernest Wade, Dean Paulette, Lacy Webb, and Russell Gunter; 3rd row, left to right, Coach Blanton, William Lipford, David Baxter, Gordon Ford, Donald Parris, Ed Bower, Richard Ferguson, Ronald Parris, and Dillard Reynolds; and on the 4th row, left to right, Ricky Simmons, Jimmy Lakes, Tommy Wingfield, Phillip Jamerson, Bennett Paulette and Frank Hunter. (See results on Sports Page)

## Reynolds Is Member of President's Club

Ralph D. Reynolds, FIC, of Appomattox, Va., field representative for the Woodmen of the World Life Insurance Society, has been welcomed into the very exclusive membership of the Presidents Club by national Woodmen President Nick T. Newberry.

His membership in the Millionaire section of the Presidents Club honors his top-rated performance in membership protection and service during 1973.

Mr. Reynolds will be entitled to wear a red blazer and a crown emblem lapel pin inset with two rubies, emblematic of his accomplishment.

Members of the Club will meet with the National President at the Sheraton Hotel in Boston, Mass., in June.
